James, Chuck, Tom,

At Cecilia's request I need you to review the Air Monitoring Plan and the Radiation Safety Plan for the Isolation Barrier Pre-Construction Work Plan. These documents are Appendices B and D, respectively, of the IB pre-construction work plan, which is on the H: drive, West Lake Schedule Tracker, subfolder Subsurface Oxidation Event, subfolder Subsurface Barrier design documents, filename "IB Preconstruction Work Plan Bridgeton FINAL 5-15-14.pdf".

I would like your feedback and comments by Monday, June 2. Call or stop by with any questions.

Sincerely,

Daniel R. Gravatt, PG
